

IEEE Computer Society  
Position Statement  
on the  
U.S. Government Travel Restrictions  
March 2017

The IEEE Computer Society, as the world's leading membership organization dedicated to computer science and technology, serving more than 60,000 members and as a source for a global community of technology leaders, unequivocally reaffirms the position of IEEE, its parent institution. We strongly oppose constraints to the free exchange of individuals, ideas, and discovery in the pursuit of the scholarly ideals of teaching, research, and learning. We are in strong support of all reasonable, legal, ethical, and moral ways to guarantee the safety and well-being of all people.
